

## **RMCTC Adult Education Evening Classes – Fall, 2017 & Spring, 2018**

### **RMCTC AUTOMOTIVE CERTIFICATION COURSES**

#### **➤ PA SAFETY INSPECTION MECHANIC CERTIFICATION**

This course prepares an individual to become a Certified PA Inspection Mechanic. Students must be 18 years of age and have a valid driver's license in the category seeking certification to register for this course. This course consists of three 3-hour group sessions, and an optional 4<sup>th</sup> night of tool instruction with an individual tactile test scheduled within 30 days of the last group session. The cost for this program includes the tuition, materials, and one category test (additional categories are \$40 each). All students must complete a MV-409 application, an RMCTC registration form, and submit payment in full to be officially registered for this course. There will be a \$40 re-test fee (each) for those who do not pass the Category and/or Tactile test.

- Category 1 = Passenger cars/trucks, 17,000 lbs. or less, trailers 10,000 lbs. or less
- Category 2 = Motorcycles
- Category 3 = Buses/trucks, over 17,000 lbs., trailers over 10,000 lbs.
