Health and Safety Plan Summary: Reading Muhlenberg CTC

Initial Effective Date: July 1, 2021

Date of Last Review: September 13, 2021

Date of Last Revision: September 13, 2021

1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

The health and safety of the Reading Muhlenberg Career & Technology Center (RMCTC) staff and students remains, as always, the top priority for the organization. The RMCTC Leadership Team and Pandemic Team continue to take critical steps and make decisions that protect the health and safety of our organization in the ongoing response to the COVID-19 pandemic.

In response to the expiration of statewide mitigation orders, the RMCTC has identified organizational standards and expectations which outline the protocols expected of all staff members as the organization transitions forward. Protocols include the following:

- Self-screen for COVID-19 symptoms
- Communicable disease reporting procedures
- Practice hand hygiene and respiratory etiquette
- Wear Face Coverings (in accordance with section 3.a.)
- Clean and disinfect one’s workspace
- Maintaining physical distancing protocols
- Stay informed of CDC’s guidance relative to travel
- Monitor communication and confidentiality
- Participate in required training
- Stay informed and maintain best practices

Additionally, a supplemental document containing frequently asked questions as well as protocols relative to reporting cases, contact tracing, and quarantine/isolation have been prepared to provide additional direction and guidance to staff.

Expectations are based on the latest mandates issued by the Governor’s Office, the Pennsylvania Department of Health (DOH), the Pennsylvania Department of Education (PDE), the Department of Human Services (DHS), and the Office of Child
Development and Early Learning (OCDEL), and the Centers for Disease Control and Prevention (CDC). The Leadership Team and Pandemic Team will continue to monitor communications. As conditions change related to COVID-19, protocols are subject to change.

2. How will the LEA ensure continuity of services, including but not limited to services to address the students’ academic needs, and students’ and staff members’ social, emotional, mental health, and other needs, which may include student health and food services?

RMCTC educational programs are planning for a return to full-person instruction in the fall of 2021 pending any change in mandates from PDE / DOH.

RMCTC educational programs and services may shift between in-person and virtual depending on health circumstances as Directors determine appropriate / necessary and /or as directed by DOH. RMCTC has been approved for emergency instructional time authorization and, if necessary, will consider multiple factors of student and staff health, safety, and well-being when making decisions regarding instructional models.

RMCTC continues to make resources available through its employee assistance provider, online training system, and the school’s Wellness Committee; containing additional resources to include wellness information for staff. Current employees and new hires as part of their onboarding process must complete training relative the RMCTC’s Organizational Standards & Expectations, Supplemental FAQ document.

3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

<table>
<thead>
<tr>
<th>ARP ESSER Requirement</th>
<th>Strategies, Policies, and Procedures</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. Universal and correct wearing of masks;</td>
<td>• Health officials recommend wearing a face covering when appropriate physical distance cannot be maintained. The use of face coverings is strongly recommended for staff members and students in RMCTC offices, classrooms, and sponsored events and continues to be encouraged, regardless of vaccination status</td>
</tr>
<tr>
<td></td>
<td>• During the 2021-2022 school year, the RMCTC Pandemic Team, in consultation with the PA DOH, will use a strategic approach based on a layered prevention strategy for decision-making and will require the use of face coverings and/or the implementation of other measures to reduce the transmission of COVID-19 in building(s) when:</td>

</table>
prevalence of disease and/or
  o A minimum of three (3) feet physical
distance between individuals is not
feasible due to the nature of setting or
activity within instructional settings,
regardless of the transmission level or
vaccination status
  • Staff who travel to other locations to provide
service must adhere to the Health and Safety
Plan of the location of service.
  • Students, parents/guardians, visitors, and
volunteers will comply with the face covering
requirements as per the Health and Safety Plan.
  • Under a Federal order issued in January 2021,
the CDC requires face coverings, regardless of
vaccination status, when on public
transportation. This includes transportation
vehicles operated by public and private school
systems, subject to certain exclusions.
However, a driver does not need to wear a face
covering if they are the only person in the
vehicle.
  • RMCTC will comply with any face covering
mandates initiated by the state or federal
government in accordance with general statute.

*When the county transmission level reaches the
designation of “high” (as per CDC data), the RMCTC
will implement universal masking as part of the layered
prevention strategy.

*When the county transmission level is within the low,
moderate, and/or substantial level (as per CDC data),
the RMCTC will consider multiple data sources in the
use of universal masking, which include but are not
limited to County transmission level, local case counts
and conditions, building case counts, community
vaccination data, and guidance from the PA DOH.

| b. Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); | • RMCTC will adhere to the latest mandates provided by PDE, DOH, CDC, and OCDEL relative to physical distancing.  
• Physical distancing to the maximum extent feasible will continue to be recommended for indoor and outdoor spaces regardless of vaccination status.  
• In anticipation of class sizes returning to full capacity in the fall of 2021 as allowed by program regulations and requirements, plexiglass barriers will be available. |

</tr>
</tbody>
</table>
d. **Cleaning** and maintaining healthy facilities, including improving **ventilation**;

- RMCTC will adhere to the latest mandates provided by PDE, DOH, and CDC related to cleaning and ventilation.
- RMCTC is committed to continuing the best practices developed in response to COVID-19 for keeping the workplace clean, disinfected, and safe for staff, students, and visitors.
- The use of universal precautions designed to minimize the transmission of communicable diseases will continue to be implemented. Hand sanitizer and cleaning materials will remain available.
- Limiting shared materials that cannot be easily cleaned will continue.
- Staff will continue to be expected to share in the cleaning and disinfecting of shared equipment and / or furniture / items within one’s office / classroom.
- Additional cleaning and disinfecting measures / protocols may be required as deemed appropriate or directed by DOH depending on circumstances.
- Staff will continue to be expected to adhere to appropriate personal protective equipment guidelines.

e. **Contact tracing** in combination with **isolation** and **quarantine**, in collaboration with the State and local health departments;

- DOH considers COVID-19 a communicable disease. As such, it is among DOH’s listing of reportable diseases.
- Staff are required to report a suspected or known case of COVID-19 or exposure to individuals who suspect or test positive to COVID-19 to their supervisor within...

<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>f.</strong> Diagnostic and screening testing;</td>
<td>• Staff are required to follow the recommendation of their attending physician and / or DOH directive(s) as it relates to diagnostic and screening testing.</td>
</tr>
</tbody>
</table>
| **g.** Efforts to provide vaccinations to school communities; | • RMCTC continues to collaborate with local health care providers and epidemiologist leaders regarding targeted areas of needs and will continue to participate with BCIU to provide additional vaccination to staff and students.  
• RMCTC continues to communicate local vaccine opportunities available to staff and the community at large. |
| **h.** Appropriate accommodations for students with disabilities with respect to health and safety policies; and | • Special accommodations or health care needs of students with disabilities will be addressed through the IEP process.  
• Accommodations may include, but not limited to adapted service delivery models, (i.e. individualized services, when appropriate) and / or other health and safety precautions as outlined in an individualized health plan. |
| **i.** Coordination with state and local health officials. | • RMCTC will continue to maintain existing partnerships with local and state agencies.  
• As with any communicable disease, the RMCTC will contact the DOH to report a suspected or known case of COVID-19 and follow its guidance. |
Health and Safety Plan Governing Body Affirmation Statement

The Board of Directors/Joint School Committee for Reading Muhlenberg Career & Technology Center reviewed and approved the Health and Safety Plan on September 13, 2021.

The plan was approved by a vote of:

   _____ Yes
   _____ No

Affirmed on: September 13, 2021
